School At A Glance

This immaculately conceived, meticulously designed and vibrant academy is situated at the southern part of Khalilabad, is very convenient for parents/guardians who are seeking admission for their wards, as it has been established to impart a complete and quality education in the true sense, not only by the way of formidably high academic standards, but also by developing all faculties intellectual, physical and spiritual.

The location of the academy is sublime and the general environment is idyllic and rejuvenating. The new academic session of this institution commences on 2nd week of April. A co-educational classes provide English medium education from Nursery to class X. Apart from providing the best of progressive and competitive education, the institution envisions the fostering of values ethical, moral and spiritual among growing children. Special emphasis would be on diligence and non dilenttanism. Career guidance, counseling and environmental studies would be given prominence. Special attention would also be given to develop and enhance the area of interest which your child is interested in. An earnest attempt would be our constant and tireless mission to develop fluency (in English) of the student studying here.

Art, Music & Dance

Classes in vocal music, instrumental music and classical dance are arranged for artistically interested students. Besides drawing, the students are taught the techniques of water-colour, oil painting etc, depending upon their interest and talent.

Remedial Classes

Remedial classes/Tutorials for weak students in all subjects are regularly arranged. Remedial Classes help students to gain a better understanding of a particular subject. These classes act as a 'safety valve' for struggling students allowing them to work at a more appropriate level rather than failing because they are not at the same level as the rest of the classes. These class produce positive environment for students. It encourages them to ask as many questions as necessary to understand a subject, rather than feeling pressured to learn every thing immediately.

The Staff

The school has well qualified and experienced teachers. All the teachers are specialized in their respective subjects. The gentle and affectionate approach of teachers towards the children make the learning process smooth and interesting. The school also has well-mannered non-teaching staff to help the students in their various needs.

Conveyance

The academy has its own means of conveyance which provide facilities to the students learning from far away placing order to scatter the enlightenment to the distinct places of the district.
